

My PICH Projects :

*Co-Production
with
Community
Leaders in NW
London*

*The Drive Surgery
(Redbridge)*

*GP at Hand
(London)*

BY THE END

Gaining Greater Awareness of the:

- 1. Gaps within the Healthcare system*
- 2. The importance of building Bridges, and multi-professional collaboration*
- 3. The importance of improving communication between health professionals and families, so as to foster therapeutic relationships*

Discovering a new Interest in:

Multi-professional Collaboration and Co-Production with Community Groups to improve Children's Wellbeing, Safety & Resilience

Making the Connection
